

The business is a balloon selling company called "The Balloonatic Asylum". The Balloonatic Asylum sells high quality latex and mylar balloons at affordable prices. They make beautiful hand-crafted balloons for any occasion, recreating ideas at the customers request. All you need to do is send them a photo of what you want, and they will bring it to life as a quality balloon adding that personal touch. They pride themselves on listening to their custom

The main features of the business are a large selection of balloons and balloon-themed products for all occasions, local delivery within 75 miles of the main store, two-day shipping anywhere in the USA, free shipping on orders over \$100, and a "Balloon-of-the-Month" club that sends an assortment of mystery balloons in a box once per month for \$39.95.

*"We have a range of colours and options available, please look at the gallery for a portfolio of pictures. Get in touch and we can discuss your requirements and how you envision your bespoke decorations. Our prime goal is your satisfaction."*
